

Dear Parents and Friends:

The Faculty, Staff, and Students of McAdoo Catholic Elementary School thank God for the gift of people like you at Christmas time and all through the year. This year more than any other there is a sense that friends and family are the heart of the Christmas spirit. Our Christmas wish for your family, our neighborhood and for the world is. . .

*A place where Christ can find a home,
Hearts that love each other,
Lives embraced by heaven's joy,
Helping one another. . .
An end to terror, war and want,
Forgiveness of the past,
Children safe from every harm. . .
And Peace on earth at last!*

May hope for the future, the promise of peace, and love to last for all ages reign in our hearts and our world this Christmas and in the New Year ahead!

Prayerful Wishes for a Happy and Holy Christmas!
